PR: Shawn, read minutes from PR meeting....will be doing a workshop on service work during PR time before the next area meeting.

RCM: Mark S., Not to much to report. No regional meeting since last meeting. Was a forum meeting Dec. 5 in Cheyenne where the CAR was gone over. Members of our group had gone to it and gotten some information, Regional Assembly will be in April. Would like to get together with information to take to the Regional Assembly for the Delegates to take to the World. Next regional meeting is February 6, 2010 hosted by Central Wyoming Area.

Questions for Mark: Can we get a copy of your report at the meeting? Mark says yes. Do the groups want to get together and go over the CAR or wait for the Regional Assembly? Wait for regional assembly.

Web Servant: written report.

Website is up to date. Written report by an addict from Kemmerer, Kyle M. regarding time schedule about the new meeting in Kemmerer. Also received a request from a lady in Lyman who knew an addict that was to be incarcerated and wanted NA literature. Purchased domain name for the web site for another two years and will soon purchase the two year web hosting for the web site, asking for \$300.00 to cover those expenses for the next two years.

Activities: Learning Days...Living Proof Group went over guidelines for Learning Days, under old business.

GSR Reports:

LPG: Shawn S. written report, LPG doing fine. Celebrating 21 years of recovery today in Evanston today. Possibly thinking about changing Monday night meeting to 7:00 p.m. Also came up with some ideas on guidelines for learning days. Questions within our group about getting PR panels out into the public, and how can we get groups to participate at the area level. Shawn went to the CAR workshop in Cheyenne and our group will begin going over the CAR in Jan. or Feb.

Surrender To Win: Kerry J. written report, doors are still open. Attendance averages about 5 addicts on Sunday and 4 addicts on Thursday. Thanked all who attended Halloween party in October. Question for Kerry: What are your groups thoughts on PR work? What are your thoughts? Kerry....thinks we should have a PR committee but not sure if we can get any support. Age old problem of not too many new comers coming around...until Kerry sees some commitment in his group not comfortable with introducing them to area. Kerry does not think he can generate any support from his home group.

5<sup>th</sup> Street Group: Written report, not present. 13 meetings a week. Attendance has been good. Marathon meeting Dec. 31, 2009 with a potluck dinner. Breakfast meeting is Dec. 19 and next activities sub-committee meeting will be Dec. 16.
